© 1996-2014, Amazon.com, Inc. or its affiliates Calling all fans of Resident Evil: The Final Chapter! The film is about to hit our screens and we're celebrating by offering a sneak peek at the first chapter of the Official Movie Novelization! Check it out here. Make sure you pre-order your copy now! EVIL COMES HOMEAs the only survivor of what was meant to be humanity's final stand against the undead hordes, Alice must return to where the nightmare began—Raccoon City, where the Umbrella Corporation is gathering its forces for a final strike against the apocalypse. In a race against time Alice will join forces with old friends, and an unlikely ally, in an action packed battle with undead hordes and new mutant monsters. Between regaining her superhuman abilities at Wesker's hand and Umbrella's impending attack, this will be Alice's most difficult adventure as she fights to save humanity, which is on the brink of oblivion.MY NAME IS ALICE. THIS IS THE END OF MY STORY. Ratings and reviews aren't verifiedinfo_outlineRatings and reviews aren't verifiedinfo_outlineGreat read and was watching the movie a Resident Evil kinda nightTim Waggoner has published more than thirty novels and two short story collections, including tie-ins to Supernatural, Grimm, Stargate SGI and Nightmare on Elm Street. He teaches creative writing at Sinclair Community College and in Seton Hill University's Master of Fine Arts in Writing Popular Fiction program. Showing 1-30 Start your review of Resident Evil: The Final Chapter - The Official Movie Novelization Aug 26, 2013 Aishu Rehman rated it it was amazing I loved this book I had just watched the movie and loved it. The Book has answered the questions we all wanted to know since the beginning. Who is "Alice"? What actually happened in Raccoon City? What happens to certain characters that we didn't see in the movie. The endings for the book and movie are different. (Spoiler Alert) The end of the movie ends with Alice driving off with several of the flying creatures after her. This ending in the book is different and definitely gives an ending I loved this book I had just watched the movie and loved it. The Book has answered the questions we all wanted to know since the beginning. Who is "Alice"? What actually happened in Raccoon City? What happens to certain characters that we didn't see in the movie. The endings for the book and movie are different. (Spoiler Alert) The end of the movie ends with Alice driving off with several of the flying creatures after her. This ending in the book is different and definitely gives an ending to the series. But there is an epilogue at the end which teases this might not be the end. ...more Aug 09, 2017 The Last Coffe Bender rated it it was amazing Açıkcası Resident Evil film serisinden çok fazla keyif alamamıştım. Bunun en büyük sebebi seçilen oyuncuların hepsinin oyundaki karakterlerle zerre bir benzerliği olmasaydı. Son filmi izlemek için var olan tereddütlerimin imdadına filmin kitap uyarlaması yetişti. Kitap oldukça güzel uyarlanmıs. Özellikle hem filme sadık kalınp hemde Resident Evil severlere keyif alınabileceok mükelmel bir kurgu ortaya çıkarılmıs Serinin finali olduğu için aksiyon oldukça yüksekti. Bir ara kendimi tekrardan o Açıkcası Resident Evil film serisinden çok fazla keyif alamamıştım. Bunun en büyük sebebi seçilen oyuncuların hepsinin oyundaki karakterlerle zerre bir benzerliği olmasaydı. Son filmi izlemek için var olan tereddütlerimin imdadına filmin kitap uyarlaması yetişti. Kitap oldukça güzel uyarlanmıs. Özellikle hem filme sadık kalınp hemde Resident Evil severlere keyif alınabileceok mükelmel bir kurgu ortaya çıkarılmıs Serinin finali olduğu için aksiyon oldukça yüksekti. Bir ara kendimi tekrardan oyunun içindeymiş gibi hissedip gerim gerim perildim. Filmin oyuncu seçimlerinden memnun değildim ama kitabın karakter betimlemeleri mükemmel. Her karakter o kadar ince ayrıntılarla betimlenmişki buda kitaba odaklanma katsayınızı artırmıs. Senaryodan kitaplaşaran yazarmn mükemmelliğinin yanında çevirmenide kocaman tebrik etmek istiyorum çünkü kesinlikle kitaba bir oyun havası verecek bir dil ile Türkçeye çevirmiş. Simdi bu seriyi, daha doğrusu Resident Evil hastasıysanız kesinlikle bu kitabı okumalısınız! ...more Apr 23, 2017 Mark Dickson rated it did not like it As much as this book is as tragically and horrifically written as you might expect of the novelisation of a critically maligned movie franchise, I loved every minute of it.As a far-too hardcore fan of the movies, I ordered this book as a final farewell to the franchise that I've adored over the years, arguably far more than they deserve. However, after leaving the actual movie feeling cheated, I put this book to the side for a while.However, after picking up this book and plowing through it because, let's be honest, it's a book that's very easy to read, it has all of the entertainment and batsshit insanity that I wanted from this final film.It fills in a lot of the plotoles that were introduced by the movie, even though I might be the only person who cares enough to actually notice, with throwaway lines that I latched onto with all of my heart. It shifts the focus away from the suddenly focal, but dreadfully boring, Dr Isaacs and gives the almighty Wesker some of his agency back.However, what this book does not capture well is the charisma and attitude that Mila Jovovich so famously brought to the role of Alice. Alice is the bland and boring to the utmost degree, but functions perfectly adequately as a plug-and-play protagonist to drive the story forwards.Let's be honest, you already know what you're going to be getting from a book like this and you already know if you're going to like it. Is it good? Absolutely not. Was I entertained? From the moment that I picked it up until the second that I put it down. ...more Sep 08, 2021 Taisynn rated it it was amazing - review of another edition This review has been hidden because it contains spoilers. To view it, click here. I finished the final book of the Resident Evil novelizations in one sitting in a matter of hours; I was hooked to this until 4AM. The book was good, and filled in so many details the movies did not. It gave me a new appreciation for many of the characters. I will say, at the risk of giving some spoilers, that the sudden appropriation of Angie's story from the second movie/novelization into Alice feels odd. Instead of the Red Queen being a representation of Dr. Ashford's daughter, we're instead based on co-founder's Dr. Marcus's daughter Alicia. Not only that, the Red Queen is still alive and is in fact also the White Queen. It's kind of destroys the build up of the previous novelizations, but perhaps they were out of ideas or regretted losing Angie as a character. There's some continuity issues, such as instead of having a male president like in the previous novelizations, we're told the president was female. Either way, I still enjoyed the ride and thrill of this novel. I loved finding out about the fate of Becky, and the results of the airborne antivirius giving the T-Virus it's final absolution; well, except for what survived underground in the labs. Perhaps they were hoping for a continuation of the movie series later down the line. Also, loved the humor of Alicia and Wesker in their final moments. He deserved what he got. ...more Apr 17, 2017 Alice rated it really liked it If you love the RE franchise, I would definitely recommend picking up this book. There is enough added content to make it more than just a rehash of The Final Chapter script, including nice character moments and motivations. The best thing about it is the way in which it really presents TFC as an immediate continuation of the movie, you will notice that there are quite a bit of content that was not shown in the movie which was revealed in the book. I think that is a nice touch to the book as it makes Resident Evil: The Final Chapter more complete as compared to the movie. Although I'm not a fan of the movies, I'm still on for anything that is Resident Evil related thus. I have to read this book and if you have watched the movie, you will notice that there are quite a bit of content that was not shown in the movie which was revealed in the book. I think that is a nice touch to the book as it makes Resident Evil: The Final Chapter more complete as compared to the movie. ...more This review has been hidden because it contains spoilers. A list of everything WRONG with this novelization, story and changes within the changes which also makes obvious the author didn't even search info before starting:*Alice HAD a story and life before "waking up" in Umbrella in the first novelization. And now she is a "clon" for a VERY bad plot twist.*The red queen had shown emotions on the first novel, and now they say she didn't have, until an "Alicia" sabotaged her comands.*On the first novel there's actually a very long description of the one w A list of everything WRONG with this novelization, story and changes within the changes which also makes obvious the author didn't even search info before starting:*Alice HAD a story and life before "waking up" in Umbrella in the first novelization. And now she is a "clon" for a VERY bad plot twist.*The red queen had shown emotions on the first novel, and now they say she didn't have, until an "Alicia" sabotaged her comands.*On the first novel there's actually a very long description of the one who created the red queen (even tie to Lissa for a good plot). And now Isaacs and Marcus did it.*They didn't just mention Isaacs reated to reopening the Hive, but they remark he did it himself and had the meaning to.*There's actually a lot of "explosives" left behind by the team on the first movie/novel that now are here. Which actually never happened, RE: Retribution, tying up all the loose ends from that film and the franchise in general. My favorite thing was the addition of Becky and finally finding out her fate. Jun 15, 2017 Aaron rated it really liked it Although I'm not a fan of the movies, I'm still on for anything that is Resident Evil related thus. I have to read this book and if you have watched the movie, you will notice that there are quite a bit of content that was not shown in the movie which was revealed in the book. I think that is a nice touch to the book as it makes Resident Evil: The Final Chapter more complete as compared to the movie. ...more Feb 21, 2017 David Griffith rated it it was amazing It tied up the series well, the book even had some differences from the film, like showing the Whitehouse battle and showing you what happened to the characters from the end of the last installment. (Which while what happened to them irked me some, the rest of the story makes up for it.) The author even does a good job trying to make sense of the series's convoluted plot line as well as even trying to make sense of what continuity errors cropped up throughout the series. While it's not perfect i It tied up the series well, the book even had some differences from the film, like showing the Whitehouse battle and showing you what happened to the characters from the end of the last installment. (Which while what happened to them irked me some, the rest of the story makes up for it.) The author even does a good job trying to make sense of the series's convoluted plot line as well as even trying to make sense of what continuity errors cropped up throughout the series. While it's not perfect it's a fun ride and an epic enough end to the series. ...more Resident Evil is one of my favourite movie franchise and this book does not disappoint me. It gives a better understanding of the movie with bits and pieces of back stories, scattered throughout the book. The introduction of the book also tells about the first ever patient that became the Undead before the release of the T-Virus from the Hive in Raccoon City. It also manage to capture all the essences of the Final Chapter. Even the fight scenes are written nicely without any dragging. Loved it! Jun 09, 2022 Nina Gliza rated it it was amazing 4.5/Wonderful. The final book is nothing short of masterful for me, and kept me engaged with each chapter that passed. As someone who has grown up watching the Resident Evil Movies, Alice has become an important figure to me. She's a badass, and she is much more than who people perceive her to be. I'm glad to be closing this journey with her. 4.5/Wonderful. The final book is nothing short of masterful for me, and kept me engaged with each chapter that passed. It was even better having extra stories of characters, and what happened to them, that were not shown in the movie. Although previous novelizations of the previous movies, did delve a little deeper into focusing on other characters. A couple of plot points were still a bit odd, as they were in the movie. But still a fun read overall. This is what a novelization should be! On top of being well-written and researched (Waggoner actually knows about the previous movies in the series), it is 100% faithful to the script. Best of all, this book adds a lot of new elements not seen in the movie.After the flashback intro (about the early history of Umbrella and the T-virus), pages 35-70 recount the events right from the end of Retribution to the opening of the movie The Final Chapter in Washington, D.C., so we actually find out what h This is what a novelization should be! On top of being well-written and researched (Waggoner actually knows about the previous movies in the series), it is 100% faithful to the script. Best of all, this book adds a lot of new elements not seen in the movie.After the flashback intro (about the early history of Umbrella and the T-virus), pages 35-70 recount the events right from the end of Retribution to the opening of the movie The Final Chapter in Washington, D.C., so we actually find out what happens to Jill Valentine, Leon Kennedy and Ada Wong, and why Wesker suddenly turned from being an apparent ally back to a villain once more. Those events are not even mentioned in the movie, so I found these sequences fascinating.The middle part if an accurate depiction of the scenes and dialogue from the movie, although one early fight scene between Alice and a flying creature (Infector?) is omitted. Without spoiling it, the movie covers the story of Alice and her relationship to the Red Queen, her fight against Isaacs, Wesker and Umbrella, and her fight to save the Human race (with help from Claire Redfield and other new friends).Another sub-plot gets resolved in the final chapter which takes place after the movie's ending, where we find out what happened to Becky the little clone girl that Alice "adopted" in the last movie, and who also doesn't get mentioned in the movie.This is a great read for fans of the movies, and I recommend at least to read the early chapters to know what happens between the two movies! ...more Aug 08, 2021 Antonio Galarza rated it really liked it (Kind of a later review. I've been busy.)Really entertaining from start to finish. The characters that did not appear in the film were due to the artists being in other projects when the film was suspended due to the pregnancy of the main actress. Therefore the beginning of the film was cut. A pity really. it was the part with the most action. All your questions are answered in this great novel. I would give it three stars because it was good but nothing shocking or new that I have seen before. (Kind of a later review. I've been busy.)Really entertaining from start to finish. The characters that did not appear in the film were due to the artists being in other projects when the film was suspended due to the pregnancy of the main actress. Therefore the beginning of the film was cut. A pity really. it was the part with the most action. All your questions are answered in this great novel. I would give it three stars because it was good but nothing shocking or new that I have seen before. That's not to say it was a bad book. There is no such thing. Even the most poorly written book takes work to write. Never play on such things without writing a book first. Well anyway, I give it four stars for the epilogue which was completely unexpected but welcome. Should the author continue these novels and write a sequel in the future - or contact me and I'll write it - it would be a great one to tell. ...more Edwin rated it liked it Mar 07, 2017 Jenny Barber rated it really liked it Feb 03, 2017 Angela rated it really liked it Feb 04, 2017 Mandy rated it really liked it Feb 23, 2017 Katharine rated it it was amazing Dec 09, 2021 Darrin Smiddy rated it it was amazing Dec 21, 2017 Peter Allen rated it really liked it Jun 17, 2021
